Our commitments to your health

- We serve 100% plant-based food.
- We are fully transparent with our ingredients, nutrition information and preparation methods.
- We use oil sparingly and do not deep-fry anything.
- We only cook with olive, coconut and avocado oils.
- We prioritize fresh and local ingredients.
- We have adopted Whole Foods Market's standards that prohibit the use of 200+ pesticides, flavors, colors, and other ingredients commonly found in food.
